

Warrington Table Tennis Club

Warrington Table Tennis Club run weekly coaching sessions at William Beamont Community High School in Warrington. The aim of the Club is to introduce children, of all abilities, to the sport of table tennis.

Every Friday evening, from 7pm – 9pm, the children will be offered table tennis coaching from former England International Sue Harper. Sue will be assisted by other coaches including Mark Bleakley, Kevin Eden, Stuart Hardy, Olivier Barthelemy, Peter Flint and Dave Hulme.

This is an excellent opportunity for the children. Sue Harper is a very experienced coach and has been running coaching sessions for the Warrington Juniors for a number of years. Some of the Club's players have represented Warrington in the National Junior and Cadet Leagues, others have represented Lancashire and Cheshire.

You don't have to worry about bats and balls as we will provide all the necessary equipment. There will be a nominal charge of £3.00 per session to cover the cost of the room hire, bats, replacement balls etc.

You're welcome to join us every Friday. We hope to see you there.
